

We believe generating reviews & improving your reputation is the most effective way to increase revenue for your estate agency

We help facilitate and manage this process

Collect More Reviews

- Boost your website SEO
- Allow your clients to be your ambassadors
- Build trust within your community
- Will help grow your business
- Will help recruit better staff
- Highlights that you are transparent and open for feedback

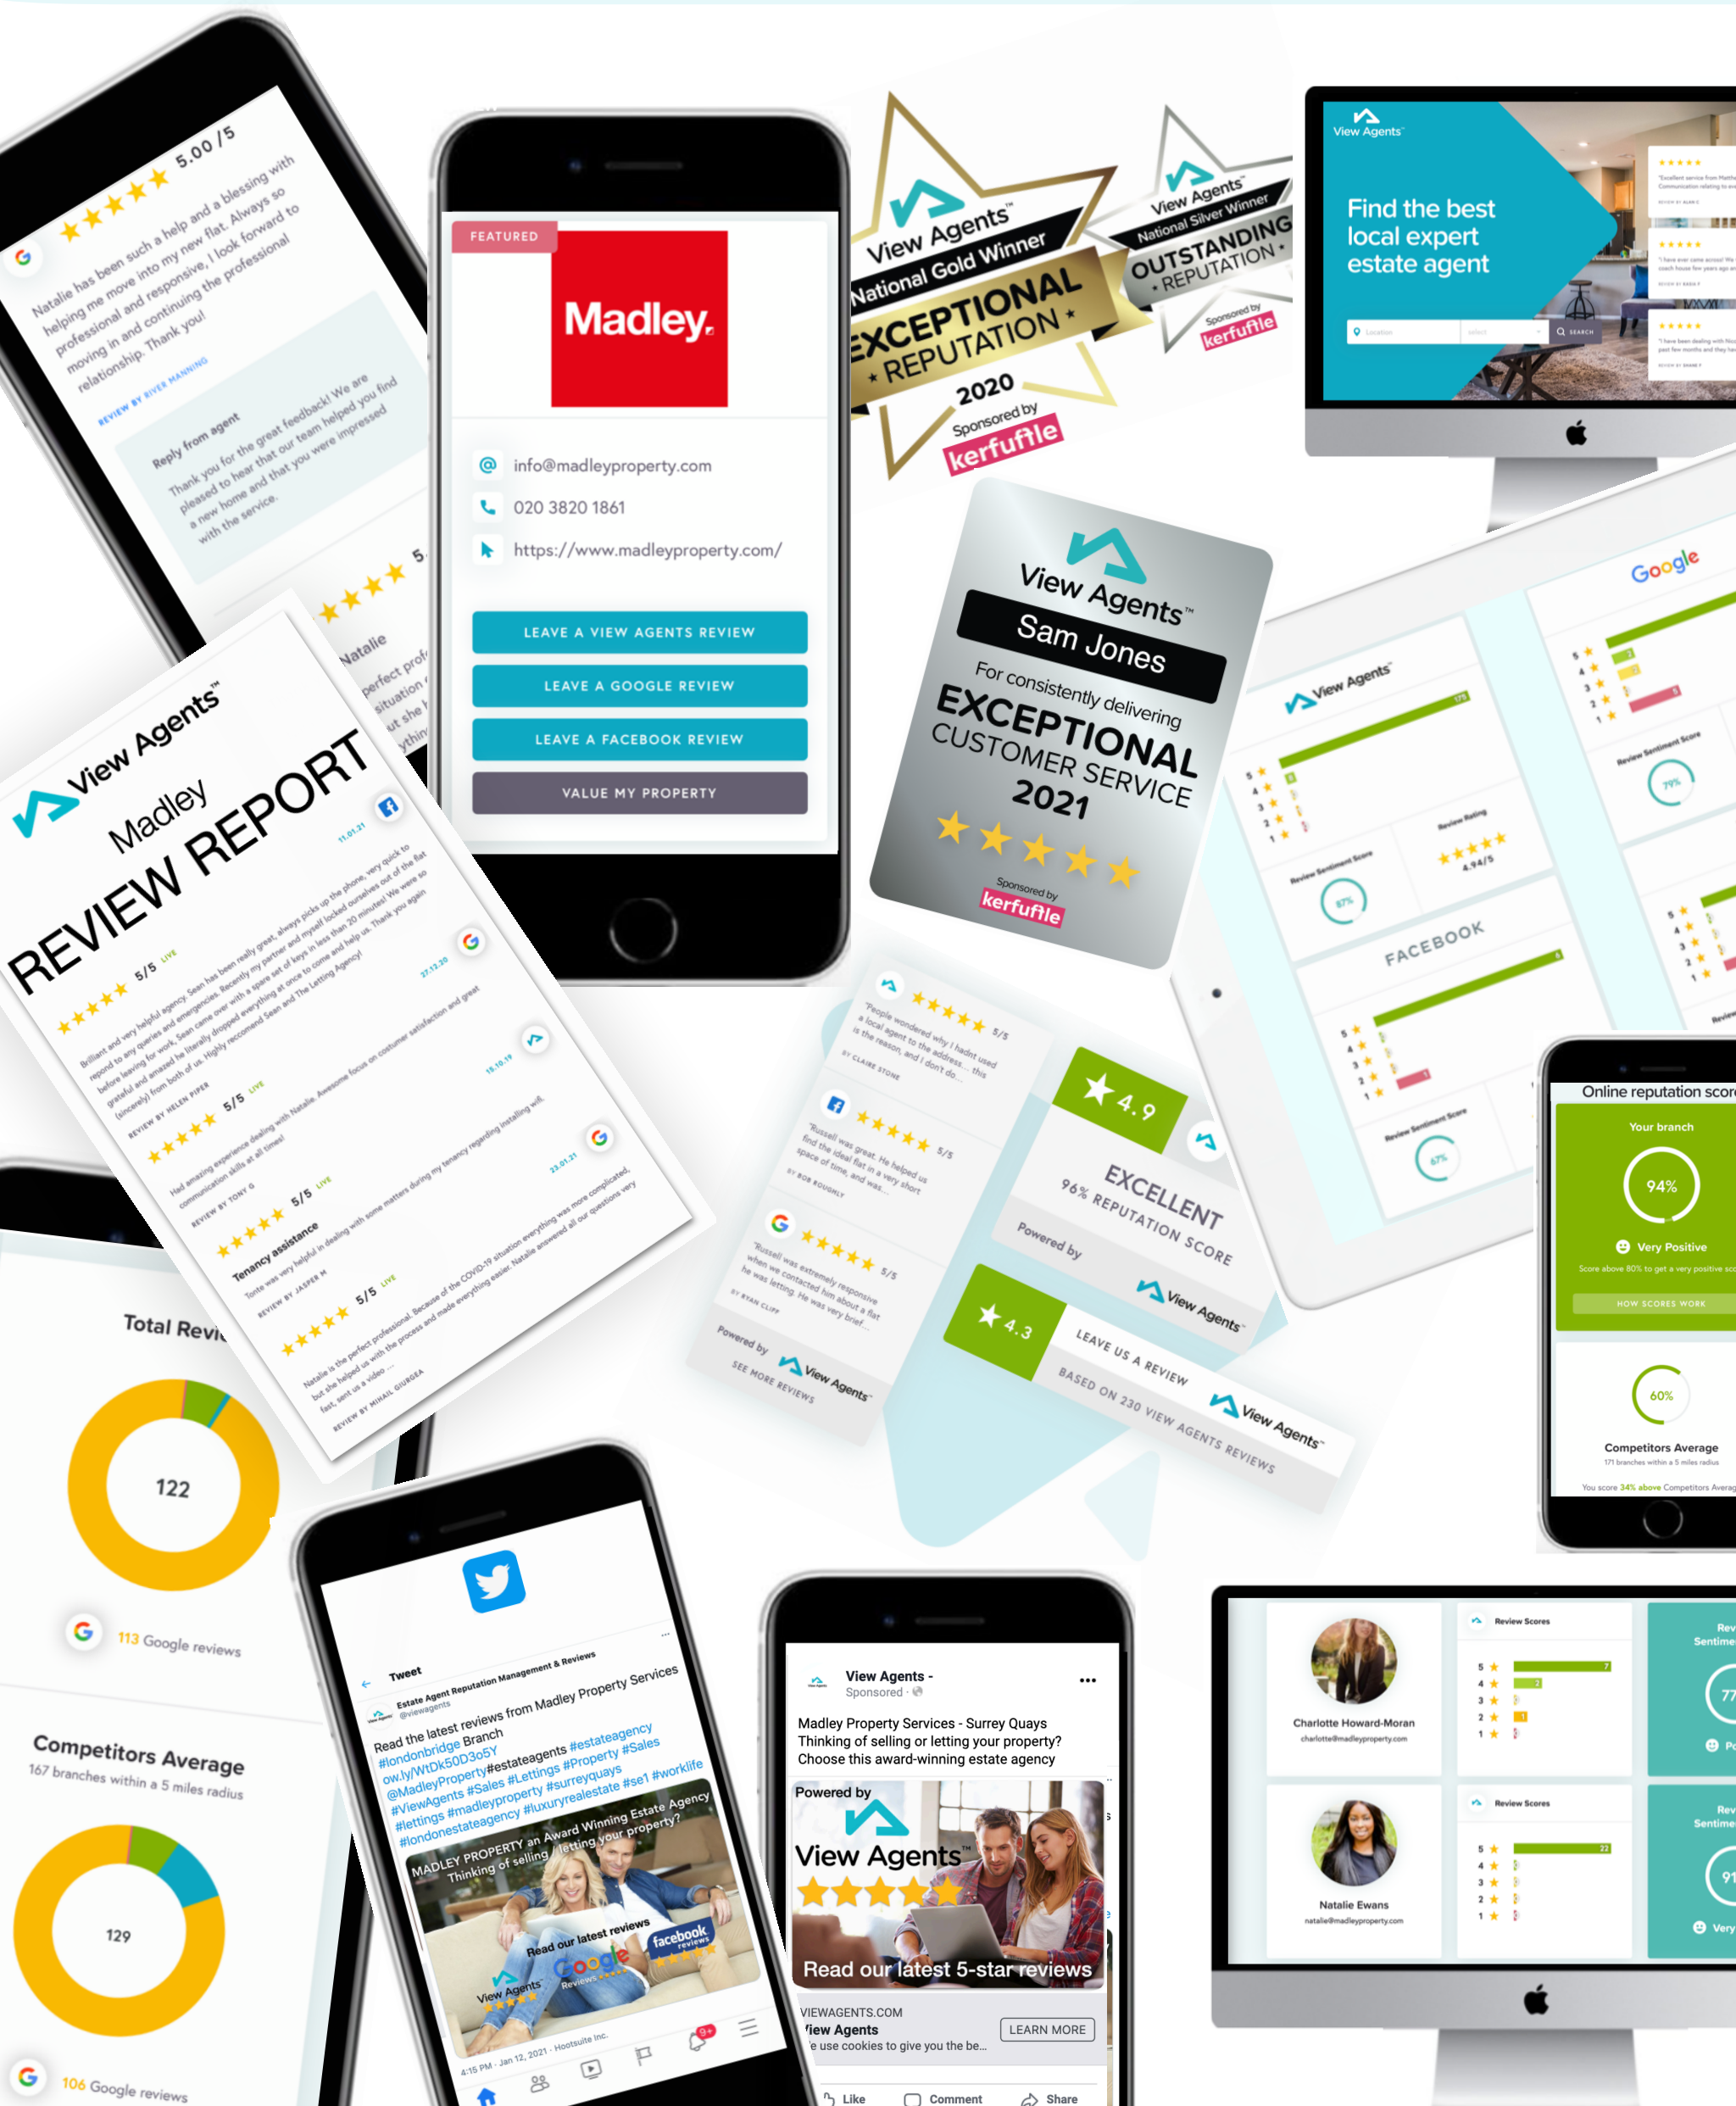

Manage Reputation & Reviews

- We put you in control of your business
- Know & understand your reviews
- Know your staff performance
- Benchmark your performance with local competitors
- Protect & strengthen your reputation
- Branch performance reports for listing presentations

Promote Reviews & Agency

- Win instructions
- We promote your reviews for you, we shout about your great reviews
- One click review social media share
- Review Reports for listing presentations
- We promote your reviews with Facebook paid advertising
- We help sellers and landlords find you
